DeLacy's Story

My story has a bumpy start, a trauma filled middle and beautiful present. God's grace and presence has been evident throughout the whole thing. I was born to a young mother and loving daddy with a drinking problem. I came from generations of divorce, addiction, and dysfunction.

I had to grow up fast through years of mental, physical and sexual abuse. I found myself using drugs to cope with the pain. Throughout my using, God told me that if I didn't stay clean I would lose everything.

I ended up in Phillips due to another bad relationship thinking moving would give me a new start. Guess what? I screwed up again. This time I lost my daughter. Well, what Satan uses for evil, God uses for Good! After some more bumps, God opened the door for me at Northwoods Living Hope. I was seeking a deep relationship with the Lord and He knew exactly what I needed and the who I needed in my life to teach me and help me live sober.

The biggest thing I have learned at NWLH is how to walk with Christ and know Him. I've always had Him, my life has been peppered with God in it, but now I'm learning He is the Salt. I'm learning how much I want Him as my best friend, my go-to sort of friend. I'm learning how to walk with Christ through different studies. I have learned life skills such as how to budget, to stay on schedule and be accountable. I'm learning to "adult" and do life in a healthy way even through conflict.

Through all of this, God has shown me that He did break generational curses in my life and I'm walking out that truth. Even though it's hard, it's worth it! Sobriety is worth it, walking with God is worth it. Paul says in **Philippians 3:12** *Not that I have already obtained all this, or have already arrived at my goal, but I press on to take hold of that for which Christ Jesus took hold of me.*

Please pray as I am still fighting to get my daughter back, and I start a new life in Wausau next month. But for today, I want to say I walk with God *Forgiven* and as a *New Creation* in Christ!
